GENERAL INFORMATION:

California Real Estate Law

Course ID: 4837

1. Course and school requirements:

There are no pre-enrollment qualifications, except that a student must be at least 18 years of age. Students must complete one open-book final exam per course.

2. Course Information:

This course is approved by the California Department of Real Estate for 30 hours credit in the Continuing Education category of Consumer Protection.

3. School policy regarding time limits:

Students have one year from the first day of enrollment to complete the course. Key dates are defined as follows:

DATE REGISTERED: The date the course fee is received by the school.

DATE STARTED: The date the course materials are received. (If materials are shipped, they are considered received five calendar days from the date of shipment.)

DATE COMPLETED: The date the student successfully completed the final exam. (The date that the final exam is taken, not necessarily the date that the exam is scored by the school.) Students have up to 1 year from the date of enrollment to complete the course. (See below and next two pages for more details on the time requirements)

4. School policy regarding exam requirements and procedures:

CHAPTER QUIZZES: The quizzes at the end of each chapter are optional, but recommended. The questions are similar to the ones which will appear on the final exam. Use the answer key at the back of the textbook to score your own quizzes.

SCHEDULING YOUR FINAL EXAM: The California Department of Real Estate has 2 time requirements for completing the Continuing Education Courses. The first requires that students may not complete more than 8 hours credit per 24 hour period of time. For example, course work worth 45 hours of credit requires that a student wait 6 days before being eligible to take final exams for course credit.

The second DRE time requirement applies to the final exams. The DRE policy states that students may not complete final exams for more than 15 hours of credit in a 24 hour period of time. This means that for a total of 45 hours of Continuing Education Credit, the student must take the final exams over a 72 hour period. The tables on the following two pages further explain the time requirements and our school final exam schedule.

EXPLANATION OF DRE TIME REQUIREMENTS

Days	Events	Hours of Credit	Explanation:
1-6	Study Course Materials	45	Wait 6 days before you are eligible to take final exams for 45 hours of credit.
7	Take 1st final*	1-15	Take first final exam for 15 hours of credit.
8	Take 2nd final	16-30	Wait at least 24 hours from first final exam and then take the second final for additional 15 hours credit.
9	Take 3rd final	31-45	Wait at least 24 hours from the second final exam and then take the third final exam for the final 15 hours of credit.

* Per DRE regulations only final exams for a maximum of 15 hours of credit may be taken in a 24 hour period. This time is not cumulative (waiting 72 hours from day 6 does not qualify you to take all of the final exams on the same day).

FINAL EXAM: A 80-question multiple choice final exam is required for this course. The final exam is administered in two sections, each with 40 questions. It is a pass/fail, supervised, open-book exam. This is a timed exam and you are allowed no more than 40 minutes to complete each section of the final exam. You may take the final exam over the Internet or you may take the final exam under the supervision of an exam proctor. You may bring a copy of *California Real Estate Law* and consult it throughout the exam. You may not consult any other printed or written materials, including notes or dictionaries of any kind. (See the enclosed INSTRUCTIONS FOR SCHEDULING YOUR FINAL EXAM for further details.)

5. School policy regarding grading:

FINAL EXAM: The score on the final exam determines the course grade. The minimum passing score is 70% (56 out of 80 correct answers). Grades will be assigned as follows:

PASS = 70%-100%

FAIL = 0% to 69% (The final exam must be repeated)

If you fail the final exam, you will receive no credit for the course. You may request to retake the final exam one time. The re-examination (second final exam attempt) will consist of different questions than the first attempt.

If you fail the second final exam, you will be given a course grade of "FAIL."

You may re-enroll in the course after receiving a course grade of FAIL. Upon re-enrolling, you will be required to re-complete the credit hours and pass the final examination to receive credit for the course.
